

Public Survey Office
Salt Lake City, Utah
August 27, 1930

I hereby certify that this plat as amended in red ink lines and figures under authority of letter Salt Lake City Division Y.A.N.C. from the Commissioner of the General Land Office dated Dec 7, 1929 shows accurately the conflict between the Silver Flat lode of this survey and a portion of Sur. N° 6403 Crown lode as described in the amended field notes.

PROMISED LAND, MINERVA, SILVER
FLAT SILVER FLAT No. 1, and
MinerVA Fraction Lodes.**

From which this plat has been made under my direction,
have been examined and approved, and are on file in this Office,
and I hereby certify that they furnish such an accurate descrip-
tion of said Mining Claim as will, if incorporated into a patent,
serve fully to identify the premises, and that such reference is
well proportionate and fits the locus thereof.
I further certify that Four Hundred Dollars worth of labor has
been expended or improvements made upon said Mining Claim
by claimant _____ or its _____ grantors and that
said improvements consist of one cut, one tunnel, three
shafts, six discovery shafts, and an undivided one
eighth interest in a shaft as described in the
field notes.

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or improve-
ments has been included in the estimate of expenditures
upon any other claim.

And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
